POLICY: The Los Angeles Unified School District (District) is committed to providing a learning and working environment in which all individuals are treated with respect and dignity. Each student and employee has a right to learn and work in an environment that is free from unlawful discrimination. No District student or employee shall be excluded from participation in, be denied the benefits of, or be subject to discrimination on the basis of sex, sexual orientation, or gender in any District educational program or activity.

MAJOR CHANGES: This bulletin replaces Bulletin No. L-4 (Rev.) "Title IX Policy/Grievance Procedure" which is dated August 15, 2001. The content updates current District policy and procedures, as well as provides current contact and reference information. Also, the bulletin's attachment (Incident Report Form-Complaint/Investigation Record) had a minor formatting change that has been corrected.

GUIDELINES: The following guidelines apply.

BACKGROUND

The purpose of the regulations is to ensure compliance with federal and state nondiscrimination laws in any program or activity conducted by an educational institution.

- Title IX of the Education Amendments of 1972 states, "No person . . . shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance."
- In 1982, the California Education Code, Section 200 et seq., added the same prohibitions against discrimination based on sex in the educational institutions of the state.
- In 1983, the Los Angeles Board of Education adopted a Title IX policy/student grievance procedure and affirmed the rights of students to attend District programs and activities free of sex discrimination.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- In 1992, the Board of Education passed a resolution that school sites should identify Title IX Complaint Managers to whom students would feel comfortable reporting incidents of sexual harassment.
- In 1993, the California Education Code required school districts to be reviewed for compliance with the state's gender equity policies through means of the Coordinated Compliance Reviews conducted by the California Department of Education.
- In January 2000, Section 220 was added to the California Education Code adding sexual orientation and gender identity as specific categories protected from discrimination and harassment.
- In July 2001, regulations to implement the California Education Code, Title 5 California Code of Regulations, Section 4900 et seq., "Nondiscrimination and Educational Equity," became effective.
- In 2003, the California Department of Education reconfigured its review process, naming it Categorical Program Monitoring (CPM). The new CPM instrument, "Educational Equity," recognizes sex, sexual orientation, and gender, as well as ethnic group identification, race, ancestry, national origin, religion, color, and mental or physical disability as protected categories.

Suggested other prominent locations may include classrooms (in secondary schools), the cafeteria, and student bulletin boards.

E. Notification – Publishing

The District’s “Nondiscrimination Statement” and the “Sexual Harassment Policy” one-page summaries, which are attached to this bulletin, shall be included in any school or District publication (e.g., a Student Planner, Student Handbook, or Staff Handbook) that sets forth the school’s or the District’s comprehensive rules, regulations, procedures, and standards of conduct.

VI. CONFIDENTIALITY AND NONRETALIATION

Complaints of discrimination and sexual harassment shall be handled in a confidential manner to respect the privacy of all parties to the fullest extent possible. Every effort shall be made to limit the distribution of information to those persons who need to know within the confines of the District’s reporting procedures and investigative process.

The District will not tolerate retaliation against anyone for filing a complaint or participating in the complaint investigation process. These confidentiality and nonretaliation requirements extend to all parties involved.

VII. COMPLAINT PROCEDURES

When a complaint or a report of discrimination or sexual harassment is received, it shall be given immediate attention. Described below are informal and formal methods of responding to discrimination and sexual harassment complaints.

- A. **Informal Process:** Informal resolutions of student discrimination and sexual harassment complaints should be addressed at the school site. The informal process shall be bypassed if the complainant names a principal

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

as a respondent or the complaint alleges school-wide discriminatory practices. In those circumstances, the complainant may initiate a formal complaint and file directly with the Local District Office.

The following steps may be followed to reach informal complaint resolutions:

- Any written or oral report of discrimination or sexual harassment is to be considered a discrimination/sexual harassment complaint and must be addressed.
- Assure the target of the discrimination or sexual harassment that the District takes allegations of discrimination and sexual harassment seriously, will not tolerate such treatment, and has strong policies against discrimination and sexual harassment.
- Obtain specific information relevant to the complaint such as where, when, and the frequency with which the incident(s) occurred, as well as the identities of the alleged perpetrator(s) and any witnesses. If age appropriate, request that the complainant provide a written statement.
- Provide the target of the discrimination/harassment with assurances regarding confidentiality and nonretaliation.
- Assure the target of the discrimination/harassment that he/she will not be required to confront the accused person and that steps will be taken to monitor that the alleged harassing behavior does not continue. Provide the individual with the names of school personnel who can help if the situation/incident continues, escalates, or occurs again.
- Interview the accused person(s) and provide assurances regarding confidentiality and nonretaliation. If age appropriate, request that the accused person(s) provide a written statement.
- Interview any witnesses identified by the target of the discrimination/harassment and the accused person(s) and provide assurances regarding confidentiality and nonretaliation. If age appropriate, request that any witnesses provide a written statement.
- Provide all parties, including parents and guardians, with the District's "Nondiscrimination Statement" and/or "Sexual Harassment Policy," as applicable. Secondary students may also be provided with

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

the District's "Title IX and Nondiscrimination" brochure (see Section V - "Notification-Dissemination-Posting").

- **If the complaint alleges sex discrimination**, carefully consider all available information in determining whether the conduct described in the complaint violates the District's nondiscrimination policy. The following three questions should be asked:
 1. Was the student treated differently in a way that interfered with or limited the ability of the student to participate in or benefit from a District program or activity?
 2. Was the different treatment based on sex, sexual orientation, or gender?
 3. Did the context or circumstances of the incident(s) provide a legitimate and non-discriminatory basis for the different treatment pursuant to District policy?

When, based on the evidence obtained as part of the investigation, the answers to questions #1 and #2 are "yes" and the answer to question #3 is "no," the incident/situation may be considered sex discrimination. However, conduct that does not rise to the level of sex discrimination may still be considered inappropriate behavior and may require that corrective actions be taken.

- **If the complaint alleges sexual harassment**, carefully consider all available information in determining whether the conduct described in the complaint violates the District's sexual harassment policy. The following five questions should be asked:
 1. Was the conduct of a sexual nature?
 2. Was the conduct unwelcome?
 3. Did the conduct create a hostile environment for the alleged target of the harassment?
 4. Was the conduct severe, persistent, or pervasive?
 5. Did the conduct limit the individual's ability to participate in or benefit from an educational program or activity?

When the answers to questions #1 - #5 are "yes," the conduct may be considered sexual harassment. However, conduct that does not rise to the level of sexual harassment may still be considered inappropriate behavior and may require that corrective actions be taken.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- Appropriate administrative steps in response to discrimination and/or sexual harassment might include action to end the harassment, monitor that it does not reoccur, and address any hostile environment that may have been created for the student(s) who had been the target(s) of the conduct. Response might also involve the initiation of disciplinary proceedings.
- Inform the complainant in general terms that corrective actions have been or will be required to resolve the complaint. Specific corrective actions with regard to employees or students are to be kept confidential.
- Parents/guardians of the complainant shall be informed of the filing, as well as the resolution of any complaint of discrimination/sexual harassment. As appropriate, parents/guardians should be kept informed of the status of the investigation and resolution of the complaint. Care must be taken to protect the identity of the accused person(s) and any witnesses.
- If a student has been a target of harassment based on sexual orientation or gender identity, consult with the student to determine an appropriate way to inform the student's parents or guardians of the harassing conduct. Student sexual orientation and/or gender identity cannot be divulged without permission of the student.
- Monitor with the target of the harassment that the harassment has ceased.
- Use the "Incident Report Form-Complaint/Investigation Record" attached to this bulletin to document the actions taken to address the complaint and to monitor and assess the effectiveness of those actions.
- The same "Incident Report Form-Complaint/Investigation Record" may be used in instances where the conduct is determined to be inappropriate behavior which did not rise to the level of discrimination or sexual harassment, or when there are no findings of violations of the District's nondiscrimination or sexual harassment policy. In those cases, corrective actions may still be necessary and using the form provides a vehicle for the documentation of the investigation and the actions taken.

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

- “Incident Report Form-Complaint/Investigation Record” forms must be safeguarded by keeping a separate school file for the retention of these records. Access to these records is to be restricted to those individuals who have a legitimate need for such access. These records must be kept for five years from the school year in which the complaint was filed.
 - After monitoring that the harassment has stopped, forward a copy of the completed “Incident Report Form-Complaint/Investigation Record” to the Local District Operations Coordinator **AND** the Educational Equity Compliance Office – Beaudry – 20th Floor.
- B. **Formal Process:** If a complaint cannot be resolved informally at the school site, the following procedures are to be used. The formal investigation of such a complaint shall be completed within 60 days of receipt of the written complaint.
- A written statement (complaint) should be filed by the complainant with the Local District Office within six months of the last occurrence of the reported incident or within six months of when knowledge of the incident was first obtained. This written statement may be filed using the “Title IX Sex Discrimination/Sexual Harassment Complaint Form,” a “Uniform Complaint Procedures Form,” or simply by filing a written statement.
 - The Local District will provide the complainant with a written acknowledgment of receipt of the complaint within five days which:
 - a. Advises and assures the complainant that confidentiality of the facts will be observed to the fullest extent possible.
 - b. Advises and assures the complainant that the District prohibits retaliation against anyone who files a complaint or participates in a complaint investigation.
 - c. Advises the complainant that he/she should feel free to call or send any additional information relevant to the complaint.
 - d. Informs the complainant that a written report of findings will be provided to the complainant at the conclusion of the investigation. Specific corrective actions with regard to employees or students are to be kept confidential.
 - The Local District Office will conduct an impartial investigation and work to resolve the matter by taking appropriate action, which may include the use of disciplinary or other remedial measures. A written

LOS ANGELES UNIFIED SCHOOL DISTRICT POLICY BULLETIN

report of findings and conclusions should be provided to the complainant and the respondent which reiterates the confidentiality and non-retaliation provisions, as well as advises the complainant of his or her right to appeal the Local District's decision.

C. **Internal District Appeal:** If the complainant is dissatisfied with the Local District Office decision, he or she may send an appeal to the District Title IX Coordinator in the Educational Equity Compliance Office within 15 days of receipt of the Local District's decision letter.

- The appeal must be in writing, signed, should state the reason(s) for the appeal, and list any steps that were taken in an attempt to resolve the complaint. A copy of the Local District's decision letter should be forwarded along with the appeal correspondence.
- The complaint will be evaluated by the District Title IX Coordinator in the Educational Equity Compliance Office. If indicated, an impartial investigation will be conducted.
- A final written letter of findings and a rationale for the disposition will be provided to the complainant.

D. **Further Options:** An appeal of either the Local District's or the Educational Equity Compliance Office's findings may also be made to the California Department of Education. The written appeal must be sent within 15 days of receipt of the letter of findings. Such appeals should be addressed to the: California Department of Education; Office of Equal Opportunity; 1430 N Street – Room 6019, Sacramento, California 95814-5901.

E. **Civil Law Remedies:** Pursuant to the California Education Code, Section 262.3, persons who have filed a complaint should also be advised that civil law remedies may be available to them.

LOS ANGELES UNIFIED SCHOOL DISTRICT

NONDISCRIMINATION STATEMENT

The Los Angeles Unified School District is committed to providing a working and learning environment that is free from unlawful discrimination and harassment. The District prohibits discrimination and harassment based on an individual's sex (including sexual orientation or gender identity, pregnancy, childbirth or related medical condition); ethnicity (such as race, color, national origin, and ancestry); religion (including religious accommodation); disability (mental or physical disability or reasonable accommodation); age; marital status; or any other basis protected by federal, state, local law, ordinance, or regulation. Harassment based on any of the above-protected categories is a form of unlawful discrimination and will not be tolerated by the District. Harassment is intimidation or abusive behavior toward a student or employee that creates a hostile environment and that can result in disciplinary action against the offending student or employee. Harassing conduct may take many forms, including verbal remarks and name-calling, graphic and written statements, or conduct that is physically threatening or humiliating.

This nondiscrimination policy covers admission or access to, or treatment or employment in, District programs and activities, including vocational education. The lack of English language skills will not be a barrier to admission to or participation in District programs or activities.

Additional information prohibiting other forms of unlawful discrimination or harassment, inappropriate behavior, and/or hate crimes may be found in other District policies that are available in all schools and offices. It is the intent of the District that all such policies are read consistently to provide the highest level of protection from unlawful discrimination in the provision of educational services and opportunities.

The District prohibits retaliation against anyone who files a complaint or who participates in a complaint investigation.

DISTRITO ESCOLAR UNIFICADO DE LOS ANGELES

DECLARACION ANTIDISCRIMINATORIA

El Distrito Escolar Unificado de Los Ángeles está comprometido a proporcionar un entorno de trabajo y estudio libre de discriminación y hostigamiento ilegales. El Distrito prohíbe estas prácticas cuando estén motivadas por el sexo (la orientación sexual, la identidad de género, el embarazo, el parto o una condición médica relacionada); el grupo étnico (como la raza, el color, la ascendencia o el origen nacional); la religión (incluidas las adaptaciones motivadas por ésta); la discapacidad (mental o física, o una modificación razonable por este motivo); la edad; el estado civil; o por alguna otra razón que especifiquen las leyes, las ordenanzas o los reglamentos federales, estatales o locales. El acoso en base a cualquiera de las categorías protegidas definidas anteriormente constituye una forma de discriminación ilícita que el Distrito no está dispuesto a tolerar. El acoso se define como la intimidación o la conducta abusiva dirigidas a un estudiante o empleado que produzca un entorno hostil, y puede traer como resultado medidas disciplinarias contra el estudiante o el empleado infractor. LOS ANGELES UNIFIED SCHOOL DISTRICT SEXUAL HARASSMENT POLICY

The Los Angeles Unified School District is committed to maintaining a working and learning environment that is free from sexual harassment. Sexual harassment of or by employees or students, or persons doing business for the District is a form of sex discrimination in that it constitutes differential treatment on the basis of sex, sexual orientation, or gender, and, for that reason, is a violation of state and federal laws and a violation of this policy.

The District considers sexual harassment to be a major offense which can result in disciplinary action to the offending employee or the suspension or expulsion of the offending student in grades four through twelve. Suspension or expulsion as a disciplinary consequence for sexual harassment shall not apply to students enrolled in Kindergarten and grades one through three. However, students enrolled in Kindergarten and grades one through three may be subject to other disciplinary actions.

Any student or employee of the District who believes that she or he has been a victim of sexual harassment shall bring the problem to the attention of the site administrator or Title IX Complaint Manager so that appropriate action may be taken to resolve the problem. The District prohibits retaliatory behavior against anyone who files a sexual harassment complaint or any participant in the complaint investigation process. Complaints will be promptly investigated in a way that respects the privacy of the parties concerned.

California Education Code Section 212.5 defines sexual harassment as any unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the work or educational setting, under any of the following conditions:
